WARLD BROTHERHOOD

World Brotherhood, as sponsored by THE BRIDGE and all its subsidiary publications, does not constitute the leveling of all men to the sub-standards of the lowest strata of human kind, but rather the conscious raising, through education and competent guidance, of the entire race—through the individual—to the highest standards of moral, ethical, economical and spiritual maturity.

ALLOW THE RESURRECTION FLAME TO FLOW THROUGH YOU

Letter to the Flame Class of March 18, 1961

Beloved ones seeking to become a Healing Presence wheresoever you are:

I love you. All of Heaven's Sons love you. As the Gracious Mary, Mother of Jesus, opens the Ascended Master Retreat, guarded, guided and protected by Her Cosmic Court and Her beloved Son, Jesus, avail yourselves of daily visitation (through projected consciousness) with both Mary and Jesus and feel the Resurrection Flame resuscitate all the good which is in your individual lifestreams as well as the full-gathered Cosmic Momentum of your own Causal Bodies. Allow that Resurrection Flame to flow through you. As you are now qualified to enter into the Inner Corridor (there are seven such circular temples surrounding the Resurrection Flame) you shall FEEL THE HOPE, BUOYANCY, VITALITY, AND RESUSCITATING POWER THERE.

The Lady Masters Sponsors assigned to you for this thirty day period (March 15 through April 14, 1961 will be so delighted for your helpful assistance in accepting Their Reality and allowing Them to bring you safely to this Retreat as well as Returning you, in safety, to your own homes. I shall, of course, be there to meet You.

This Transmission Flame Class was instigated by My humble self and is so sustained by Me. I do thank the Lords of Karma for They, looking upon your very enthusiastic and successful endeavors, have allowed Us to continue in this monthly communal service, when the breath of the human and Divine Beings blend to carry the blessings of each Ascended Master Foci around the world. Thus, I join with you in spreading the knowledge, feeling and hope of Resurrection of all that is good at this time.

Love and Blessings

MAHA CHOHAN

THE KEY TO CONTROL YOUR SURROUNDINGS AND ATTAIN YOUR PURPOSE

An Address by beloved Ascended Master JESUS

The Ashram **December 30th, 1960**

HAIL thou, come into My Presence! I salute the Christus arisen within your hearts and as you have honored My Birthdate and as you have honored My Mother, so I honor that Flaming Presence Which is alive within you, expecting and invoking that Presence within you to COME FORTH and render through you those services which I rendered ages ago, and which have been glamorized by the myths of the past and yet which are a challenge to each and every one of you of this day. For every word which I have spoken which has been recorded is Truth and I have said "the things which I have done ye shall do, and greater things". Where are "these greater things?". COME YE FORTH THIS DAY OF LIBERATION and render at least those services which are the powers of instantaneous healing and sustained harmony and the God-gifts of your Divine Nature.

You have a Cosmic Name

Through the kindness of Almighty God, you have had intercession with the Divine Beings from the Realms of Light throughout this embodiment and embodiments which have gone before. You have been with Me on Earth, and you have been with Me between embodiments and you know that although "I AM" honored as being the Gentle Shepherd, I, too. have the fire and authority to command energy to ACT in a perfect manner! Such energy I request now!

What is the purpose of your being? To control the energy which is loaned to you by God, to qualify it and to send it forth through all of your lower vehicles and then to utilize in and project God-energy with the constructive quality required through the authority of Myself and your own "I AM" Presence to bring perfection where imperfection has been! I had told the disciples centuries ago "whatsoever ye shall ask in My Name, it shall be done unto you". I repeat that again, again and again!

What you are required to do

You, too, have a Cosmic name, a Cosmic mission, a Cosmic purpose of accomplishment and that is in the efficacy of learning the control of the vibratory action of God-energy or God-life. Think you that if We Who were among those drawn forth in Galilee to render that service had not control of all of the energies of Our Own Vehicles, that We could control the energies of those around Us, those who sought to destroy the Plan of Perfection; those who desired, through temptations which you will never meet, to stir the energies of My Feeling World or My Thoughts, My Etheric Consciousness or My Flesh Form.

You are required to do as much. If you are constantly bombarded by, and you will be if you so allow it, not only tramp thoughts and feelings, words and actions but projected ones, and you have not A POSITIVE AURA which moves more rapidly than that which is directed toward you, IT SHALL BECOME A PART OF YOU, because like becomes like. Which do you wish to be—a God or a Goddess, or again after ages a human being bent with the frailties which come through the acceptance of human nature?

I assume in your hearts that you desire to rise above the vibratory action of imperfection and live in a Realm, even while yet unascended, where you are the Master Control of all energy in, through and around you. Then you have builded for the hour when you require it, that energy you can direct to any person, place, condition or thing which desires or requires assistance.

How I stilled the waters

When the fishermen in the boat were sore distressed because of the raging sea, where did I receive the Power which stilled the waters? Because I had through the assistance of both My Mother and Father, and Lord Maitreya been taught from Childhood to magnetize Peace, and that Peace became a great reservoir and so I said to the waters "Peace be still". And naturally they responded, because there was more energy already drawn around Me qualified with God Peace than all of the turbulence of the sea of Galilee.

Mechanical and scientific in the extreme is The Law! Whatever power has the most energy in your own world is the power which will act in emergency particularly. Build, each one of you, those Virtues and Qualities so that if it is required of you, anyone, to bring Peace or Healing or Resuscitation, you have already more energy than the imperfect appearance.

The resuscitation of Lazarus

If I had dwelt upon the passing of My Own Father and All of those other blessed ones whom I had known, I should not have had the stockpile of God qualified energy of Life Eternal, which was more powerful than the moaning, crying, curiosity, scepticism and various other qualities of energy in the group, as well as the lethargy of Lazarus. So, INVOKING all that gathered power and momentum of LIFE EVERLASTING and directing it into the heart of his lifestream to render a service, that energy was more powerful than those other qualities of an imperfect nature acting through the people. Lazarus responded and came forth.

Everything in this world, on any plane, even in the Ascended Masters Realm, in the Realm of Divinity, is qualified either by GOD POSITIVE ENERGY or by creations—positive or otherwise—of imperfection, through the misuse of free will.

Now you have started upon the pathway Home into the Heart

of God, the very first pebble upon your pathway may stub your toe a bit, yet as you draw of that self-mastery in, through and around you, your own light blazing forth through you will be enough to remove a boulder or a mountain.

What is an "Avatar"

I was a Man Who came to Earth for a Purpose, voluntarily. I chose to show mankind in a time of great darkness what God's destiny for each and everyone of them was to be. Through misinterpretation of The Law, unfortunately, I was set apart as the "Only Begotten Son". I came to bring the Example of Eternal Life, overcoming through the assistance of Divine Beings a very unpleasant experience called death, then had to re-convince My disciples that I lived and moved among them Resurrected, no human power able to touch the God-qualified energies of My Own Lifestream.

All of these things I had done because the world requires every now and again the Coming of a Perfect One; One Who can fulfill the purpose and represent on the Earth Our Heavenly Father. They call such en One "an Avatar". You will have, of course, the Coming of a Perfect Being representing My Beloved Brother, the Ascended Master Saint Germain. But, in the interim, under the Dispensation of the Cosmic Law, it would a marvelous thing to have rise up among you your own Godliness to a point where your energies are constantly, and consciously, devoted to One Purpose—learning to build in the silence the reservoir of every God Gift and Virtue, and utilizing it as the requirements demands!

Be honest with yourselves!

Now "I AM" with Beloved Kuthumi serving in the capacity of World Teacher, and I will say to you who are not yet without sin, be honest, as honest as you would have to be in the Presence of Beloved El Morya, as you will have to be as you stand before The Karmic Board. BE HONEST with yourselves as to that

Quality or those Virtues which are your "weak" points and develop them.

It is easy to love those who love you but you must learn to love those who perhaps have disturbed you. No one could have passed through that Initiation of the Crucifixion without knowing what it is to hold control and mastery throughout every type of ridicule, physical, mental, etheric and emotional and at the end of that period pass the final test, remaining on that cross and then, with the help of the Lord of Life, the Holy Spirit Himself, coming forth and remaining to ANCHOR the disciples in the Power of Light before I went back to My Father and yours.

Have you been whipped in public, with a crown of thorns pressed into your brow? Have you had your garments rent? No! Those things which happened to you in this embodiment are very slight as to those experiences through which I, voluntarily, passed to show that the Son of God was the Master of the energy of His World. Thus I was able to stand before Pilate Himself and when he said unto me "Hearest Thou not how many things they witness against Thee?". And I answered him never a word, for he had no power over My Life or My departure, and no human being has power over your life and your departure, except your own "I AM" Presence, Holy Christ Flame and your Divine Sponsor.

The control of Energy and Power

Accept that not only for yourself but as I speak it into the ethers, I speak of LIFE ETERNAL through the controlled energy and power of One Who has experienced every type of energy which was less than perfection catapulted at Him and Who has come forth VICTORIOUS! What One has done, many shall do!

We are late, beloved ones! Late, by thousands of years. The next Avatar was due long since, yet came He not because of the recalcitrance of the human race and her attendant evolutions.

Now in the Great Tetons there are gathered together around

the Hierarchs, Beloved Lanto and Confucius, Many shining Beings from the Hearts of Alpha and Omega and All the Suns of the System. The Great Karmic Board is already in session... The Beloved Lady Portia, Kwan Yin and the Others. Mankind has opportunity unparalleled to walk and talk with the Master of their choice, and You have opportunity TO BECOME GOD IN ACTION! When I say that affirmation, it was ofttimes required to release power through the spoken word to "shatter" the creations of imperfection, but in wisdom's way ofttimes the service can be rendered in the silence.

The moment is NOW!

Those of you who have loved Me thousands of years, thought a good deal about Me this Holy Season, are definitely connected with My world experience, PREPARE YOU TO BECOME AND TO REMAIN A GOD EXPRESSION, ABLE TO USE THAT GOD-LIFE AS OF NOW. The moment is NOW! When do you think? I was not told beforehand about any of the experiences from My Baptism in the Jordan on. I had no written scroll, saying on such and such date the Holy Spirit shall descend; on such and such date You will heal; on such and such date You will raise so-and-so. No! But I used My Life magnetizing that God Power and then as each experience came I had already the qualified energy and through the Power of the God acting through Me, I was able to render the assistance. Thus I was not taken unawares. If you have to have a calendar, to advise you when you shall be called, don't expect it, but expect through Our Words that We shall require assistance of unascended beings AT ANY MOMENT! NOW, SLEEP NOT LONGER BUT LIVE, AND IN LIVING MAKE BEAUTY A PART OF YOUR BEING.

THE BRIDGE TO FREEDOM

A Monthly Journal Devoted to Individual Unfoldment, Contact with The Great White Brotherhood and Cooperative World Service

Vol. IX **MARCH, 1961** **No. 12**

YOU CAN RESURRECT THE GOOD IN YOU!

An Easter Address delivered by beloved MOTHER MARY

Dear, beloved and blessed children of God who walk the ways of Earth, as I once long ago did, it is My privilege and honor while the orthodox religions are placing ashes and dust upon the heads of the faithful reminding them that they are "nothing", to come to you and remind you again, again and again that you are "something"! You are The Christ, even as Our beloved Jesus, developing your God-powers for the blessing of mankind right here and now on this Earth plane where there is so much distress of every kind and description.

Dwell on the Resurrection, not on the Crucifixion

I have loved that Christ within your hearts, creating for you the beautiful bodies into which you were born, not only in this embodiment, remember, but through all the embodiments you have had since I have taken over the role of Cosmic Mother, and I love you still with a Mother's Love. Therefore, it is suggested as a portion of My message today to remind you during this season that is supposed to be dedicated to the sorrows and disciplines of My Son's life leading to the crucifixion on Golgotha and all orthodox individuals choose to dwell on the crucified Christ—and that Image We are endeavoring to remove through the beauty of the Christian Dispensation and all of Its many avenues of expression by the **Ascended** Christ. I say to you let this Lenten season be a season of anticipation of a Resurrection and anticipation of an Ascension when your service in this world of form is completed. The dolorous activities that accompany

the activities of the people of the orthodox religions is entirely AGAINST THE NATURAL LAW which is the growing buoyancy and anticipation of Resurrection on Easter Morn and the Ascension of beloved Jesus—which Ascension is also offered to you; let us remember this, beloved ones.

We are a happy, joyous, buoyant, enthusiastic Brotherhood and Sisterhood and it is only the veil of time and the careful coloration of Our original Teachings from Jesus and Myself and the early disciples who have glorified the "crucified" Christ rather than the **Living, Breathing presence of Jesus** as the Example for each and everyone of you towards which goal He intended to lead you two thousand years ago!

Awaken to the Message of Easter

Beloved ones, AWAKEN to the MESSAGE OF EASTER as a message of Easter to your own hearts, as a message of the Resurrection of the good God in you, vitalizing the vehicles that you wear so that you may walk among the sons of men and be at all times their example, and then, having completed your mission, accept your Ascension into the Light, becoming a Divine Being who has no longer requirement of embodying here on this Earth.

You have been told again, again and again how the elementals **mirror** whatever they see, and in My Temple where I teach the elementals which form the first bloom of the springtime, We have had many experiences where the blessed little elementals would either mirror Myself or any of the Teachers rather than learning The Law of drawing into themselves the actual pattern of the flower, shrub, tree, whatever the harvest should be, sustaining it and externalizing it against the law of resistance and all of the riptides of human creation here on Earth, to make of the Earth, the Spring, a crown of glody on the face of what has seemingly been a barren and lifeless Nature Kingdom. I say humankind are likewise mirrors; you mirror each other; you mirror your asociates; you even mirror yourselves from past em-

bodiments, and until the day and hour comes when you decide and consciously remove from your world that acceptance of mirroring the mass consciousness of old age, disintegration, decay, death and all of its ramifications and allow the Holy Christ Self within you to do, as It did within Jesus the so-called miracles, until you are self-luminous, you are not fully God Free.

Do not mirror your inharmonious surroundings

There are God Free people who are unascended but they are strong enough to refuse to mirror and accept the mass concepts of their contemporaries and of the reports, televised and otherwise, and these God Free individuals allow the Babe of Christ the Holy Christ Flame within the heart FREEDOM TO ACT. Suppose that I had chosen to endeavor to hold back the actual birth of My Son. It was not at that time or place, the most comfortable experience to go through alone with the exception of the beloved Saint Germain. Suppose I had mirrored the surroundings, discord, the laughing of the inkeepers, the very humble stable in which no Son of God should have been born; suppose I had (and women can withhold birth) done so. I would have destroyed the Perfect Divine Pattern and Plan and also impinged on the beautiful perfect physical vehicle of Jesus that willfulness. But I allowed the tide of the Cosmic Moment to carry Me forward until He was delivered—beautiful beyond compare!

Allow your Christ Self to act

ARE YOU ALLOWING THE BABE OF CHRIST WITHIN YOUR HEARTS TO ACT, or are you holding It so tight within the confines of your emotional insecurity, your mental concepts, your etheric memories and your reasoning powers THAT GOD ALMIGHTY THROUGH YOU, THIS DAY, IS NOT ALLOWED BIRTH IN THIS COSMIC HOUR! Think on this —whether you are a man or a woman—it is **you** who through free will **allow** the Second Birth, the expansion of the Living Christ through you, or do you hobble along to your grave, having done good **BUT NOT ENOUGH!**

We have talked now for many years about loosing the Power of God to act through you. I, Myself, time and again have told you that the very arms you use can be the arms of the Holy Christ Self; that every step you take, every action, every spoken word can be either the personality or the expansion of the Holy Christ Self. WHAT, in God's Name, IS THE HOLY CHRIST SELF DOING MUMMIFIED IN STUDENTS who have such knowledge of this Law locked up century after century, each individual awaiting someone else's accomplishment to externalize the Perfection, the Healing, the Peace, the Purity or whatever the quality may be?

Love is the greatest Power in the Universe

Oh, yes, I can be powerful, beloved ones! It is not My full nature; My nature is the nature of Love, but Love IS POWERFUL, one of the greatest powers in the universe and the loving Mother is powerful in Her protection of Her children. The lethargic mother allows the child to grow in lax ways, drifting through life without purpose and doing more harm than good to that individual. Oh surely, I loved beloved Jesus, but HE WAS RAISED UNDER STRICT DISCIPLINE, the same as I, Myself, was, else He would have rushed off into some unknown place when the great tests of life came.

Suppose, I knowing as I did of His future, I had coddeld Him through His early years and shielded Him from the world and all of its many manifestations of evil, and then when His Call came, He had to look upon the leprous and the blind and the insane, do you think the strength in His Own Lifestream then would have enabled Him to VICTORIOUSLY use the Power of Christ and His Father in Heaven to render those miracles? NO! He would have been among all those ascetics that were in the hills! It takes strength to love, and wisdom to love and constancy to love in the Divine Way.

Why was Lazarus resurrected

As I raised Jesus, so I have endeavored to help to raise the consciousness of every blessed and sincere student but the peoples of Earth consider Me a rather ephemeral delicate Flower that grew in Judea. Ladies and Gentlemen, it took all of the power of all the lives that I had lived; all of the power of the Archangels; all the power of Lord Maitreya (Divino); all of the power of your beloved Saint Germain as Joseph to help Me live that one life alone, and it has taken and is taking, all the power of My lifestream at this time to try and awaken the outer mind of the students to the Eternal Verity that CHRIST WITHIN THEM is NOT TO BE ENTOMBED but allowed to flow forth freely! Then you will not be caught unawares.

In the preparatory process of the Age that I passed through, I was prepared; through the very careful training of Jesus, He was prepared. He could stand by the tomb of Lazarus where the laughing throng scorned Him and the weeping family disbelieved, and say with all the power of His Immortal Divine Father "LAZARUS, COME FORTH!". And death yielded up the soul of Lazarus and he came forth!

Would you attempt that now? Why? Because you have not builded the momentum yet through your own self conscious being to a point where even in small matters, wherein you are tempted through the outer personality to perform even a menial service, to become STILL and then say, "Beloved Holy Christ Self in me, THROUGH ME ACT, NOW!". Then have the patience to keep the mouth still, the feelings at peace, the mind from whirling about what you are going to do if Christ does not act through you. Then, when you feel that Christ Power **flow,** you will KNOW whereof I speak.

HOW TO REND THE VEIL OF MAYA

An Easter Address delivered by beloved Ascended Master JESUS

To be a **wayshower** among people is to be a **living and breathing example of the Law which you affirm!** This was the instruction that was given to Me febore I even took embodiment and required the concentration of My lifestream through the entire course of that embodiment to become The Law which I affirmed. During the early years when I passed through the initiations at Luxor and was able to use the power of resuscitation and draw life, even as a child, I did continually and constantly make application, as did My Mother, so that during the time of the maturity of My Mission I would remember and be able to do in the presence of the unbelieving that which I could do with comparative ease in the presence of the Individuals Who had already experienced Resurrection and Who had experienced the activities of resuscitation within the Holy Temple at Luxor.

I practiced the Power of Resurrection

So when I speak to you who live in the world, you who go to business, you whose activities are mingled partly spiritual and partly material, I know that you have the pressure of the outer world and the mass mind as well as the Divine Inspiration that you receive within your holy sanctuary and within the secret times when your hearts and minds are turned toward Us! Once again I say, that Infinite Power beating your hearts, that Infinite Power which is THE CHRIST ever expanding from within your worlds IS MORE POWERFUL **than all human appearances** - if you can but believe it to be so! I know that with your minds you want to believe; with your souls you want to believe but there is yet so much within the etheric body, so many memories

to be erased that there is yet resistance to the full acceptance of your own Divine Power to manifest through YOU this very hour, to use, to heal, and to set life free!

Think you not after I started upon My public ministry that the tempter did not put the question before Me often; "Shall You be able to follow through with that which You have invoked for the blessing, healing and benediction of a soul in distress?". I had to put that tempter aside, relying upon the Christ Power and holding against the appearance world that realization of the all power of Divinity through Me to make things right, and holding your Flame steady you can let that Christ Light qualified with healing, with peace, with purity, with balance, qualified with any God Gift flow forth for the blessing and upliftment of those with whom you come in contact.

You have centuries of training

That which **I** did, was done after many, many centuries of training true, but **you** also have had many, many centuries of training! Most of you have been great powers of Light in Lemurian Ages and Atlantean Ages, in the days of the Buddha; in My Own day you were great magnetizing centers through your own hearts beat of the gift of the Holy Spirit and the gift of Divine Light. That power and momentum is within you, dormant though it may seem to be for the time being, but it is being revivified as We continue to turn your outer mind and attention to the fact that you did have and do have a magnificent heritage which comes to you of God in the fact that you are individually created in His Image and Likeness.

You are individually surrounded by substance which is His Living Body, and that Substance is obedient because God the Father, and Mother of Creation have told that substance to obey you! That substance waits to be molded into form according to your thought, your feeling, your spoken word and your gestures.

You are now at-one with the Father

Therefore, you are NOW the Sons and Daughters of the Most High! You are NOW clothed in the power of the Most High Living God! You are NOW at-one with the Father. You are NOW embodying and radiating the gifts of the Father which He, in turn, entrusted to you to bring to this planet Earth and you at one time, even like unto Myself, knelt before Him and said that you would bring those gifts to the peoples of Earth.

Those gifts are the virtues, the virtues of Grace and Healing, of Forgiveness and Peace, of Opulence and Understanding. We could describe them without number but those mighty and magnificent gifts are LOANED, shall We say, to each one of you as a gift of Lord Divino (Lord Maitreya) as the magnificent cloak of the Christ was given to Me, in order to manifest the perfection of Divinity here in this world of form. Lord Divino gave to Me the cosmic cloak of His Own gathered momentum and that coupled with My Own enabled Me to render certain services that seemed miraculous but are only the use of the natural Law!

What the human veil is

Although My embodiment came and I attained that Mastery and left that example and though others have come with great light, yet while there are unascended beings who are using the creative centers of thought and feeling to move this beautiful light in a discordand manner, they set up a riptide of various qualities of anger and distress, and **that** is all that the human veil is! It is agitation of electronic energy which the thought and feeling centers of mankind, as well as the spoken word and the activities of the physical vehicles have spewed forth, and where there are a few to hold the peace, there are millions who cannot yet hold that peace for themselves.

As We anchor more and more of God Poise and God Peace

through your own Flames and that expands out and begins to STILL the energies of which I have spoken (which is the veil of maya), when they are still enough, there is no veil! It is just beautiful electronic light and the **here** and **there** are just one.

Every person who has been raised in contemplation, who has come to a point of Peace, who has come to a place of one-pointed concentration of mind, who has been humble and selfless in service, has reached that point of passing through the veil for a moment and some have had the glory of seeing the Presence and the Angelic Host and the various Members of Their Kingdom. It is the great test to **bring back** that Peace and Benediction which you receive in such moments of uplifment and give of that gift without losing its virtue yourself but letting it flow forth from you.

Lakes of Peace over cities

When there are all over the planet enough lifestreams to hold the energy harmonized over and in and around these great cities, it is exactly like oil on troubled waters and will have the effect of placid lakes instead of those turbulent seas. These great lakes of energy will be magnetized and sustained by the trained students and as they increase, they will have the same effects as the electrons as they expand and meet electrons - these lakes of Peace will grow until the turbulent sea has been entirely stilled and then you have a planetary atmosphere of cosmic Peace through which no discord can longer exist.

We live to create this Kingdom of Heaven on Earth and We can create it only by establishing individual, collective and then planetary Peace upon the surface of the Earth. In the atmosphere around the Earth there is this turbulent moving energy of which I speak and yet in the midst of all that—ONE LIFESTREAM—turning their attention toward God or Myself or any Divine Being can draw back enough PEACE to hold the balance for a community, city, state or a nation! Believe Me - I KNOW!

Cultivate the habit of Peace

I have seen My Mother draw that Peace and sustain it after My Ascension when She performed that wonderful service of magnetizing the currents of Light from My Own Ascended Body into the new Christian Order. I have seen Her hold that Peace - now We offer, I offer you, She offers you, the great Lord Gautama offers you Our power to HOLD THE PEACE in the small things and then when the greater things come your momentum is gained, your pattern is set, you have a habit of holding the Peace. A habit is only the repetition over and over of certain activities until a momentum is builded.

Is it not time to build now a cosmic Divine Habit of the Perfected Ones rather than to continue in the habits of the human? Let us put on this morning while We are gathered together the **Divine Habit** and become truly men and women in Divine Order bringing Peace unto this Earth. Let us make our Habit more than just a garment to cover the physical form; let us make this Habit an activity of our nature wherein it was first designed, the Divine Habit of bringing Peace; the Divine Habit of speaking words of a constructive nature; the Divine Habit of seeing Perfection; the Divine Habit of refusing to enter into discord. Most every human being creates habits of a human nature, now I challenge you this Easter Morn to consciously create the Habit of Divinity!

In the Name of the beloved and blessed Presence of God Who created you; In the Name of My Own beloved Mother, Holy Mary; in the Name of Life and Light Eternal I do bless you, asking that you feel that Resurrective Power which I have brought and that It be for you eternally sustained, all powerfully active and ever expanding so that any instant when you feel the requirement for more than the momentum you have already drawn forth of God's Grace and Peace! God bless you, Beloved Ones!
